Charity No. 1109432

Arts Together is an innovative, award winning, registered charity working to improve the quality of life of vulnerable, isolated older people. We run groups in Devizes, Pewsey and Marlborough and provide a wide variety of challenging and rewarding professional arts.

We are setting up new teams of volunteers in each group area – the Phoenix Teams – to help us to fundraise and to promote Arts Together. You will be helping us to increase support – expertise, funds and gifts in kind – from our local communities. You will have the chance to develop ideas and put them into practice.

If you are organised, innovative, outgoing and love a challenge, if you can spare at least 8 hours a month, this may be for you.

As an Arts Together volunteer, you will be part of a friendly, imaginative and committed team of volunteers, artists, group members and managers who have a great deal of fun. Joining us means we can achieve so much more.
